

Glen Meadows Curling Association Team Wins Bronze at 2015 BC Senior Games

A team from Glen Meadows, consisting of Lawrence Woytowich, Lynn Wilson, Wayne Scott and Jack Campbell represented the Vancouver Island South Zone at the BC Senior Games in North Vancouver on August 23 to 25. The team played in the 65+ division.

Jack Campbell reported that the five teams in the event were Fraser Valley (Langley), North Central (Prince George), Lower Mainland (North Vancouver), Vancouver Island South (Glen Meadows) and Vancouver Island North (Comox). The team won 2 and lost 2 games in the round robin. They beat Fraser Valley and Vancouver Island North. Losing the 4th game to the Lower Mainland put them into the Bronze game against the same team. They then managed to beat them 9 to 2 (after 7 ends) in the final game to earn the Bronze Medal.
